

Chapter 260, VEHICLES AND TRAFFIC

[HISTORY: Adopted by the Mayor and Council of the Borough of Laurel Springs 11-25-1974 (Ch. 80 of the 1973 Code).EN

Amendments noted where applicable.]

ARTICLE I, General Provisions

§ 260-1. Title.

This chapter may be known and cited as "Chapter 80 of the Code of the Borough of Laurel Springs," or as the "Traffic Ordinance."

§ 260-2. Definitions.

Whenever any words and phrases are used in this chapter, the meaning respectively ascribed to them in Subtitle 1 of Title 39 of the Revised Statutes of New Jersey shall be deemed to apply to such words and phrases used herein.

§ 260-3. Repealer.

All former traffic ordinances of the Borough of Laurel Springs are hereby repealed, except that this repeal shall not affect or prevent the prosecution or punishment of any person for any act done or committed in violation of any ordinance hereby repealed prior to the taking effect of this ordinance.

§ 260-4. Severability.

If any part or parts of this chapter for any reason are held to be invalid, such decision shall not affect the validity of the remaining portions of this chapter.

§ 260-5. Penalties. [Amended 4-4-1991 by Ord. No. 465; 3-7-1994 by Ord. No. 527; 12-20-1999 by Ord. No. 592; 3-6-2000 by Ord. No. 595]

A. Any person who shall violate this chapter or any of its provisions shall, upon conviction thereof, be subject to a fine not exceeding \$500, plus court costs of \$12.50, an ATS surcharge of \$2, an EMT charge of \$0.50, a Spinal Cord Research Fund charge of \$1, and a fee of \$1 for body armor replacement, or imprisonment for a term not exceeding 90 days, or both, in the discretion of the Judge before whom such conviction should be had.

B. Notwithstanding the provisions of Subsection A above, any person convicted of a violation of § 80-27.1 hereof shall be subject to a fine of \$100, plus court costs of \$22.50 an ATS surcharge of \$2, an EMT charge of \$0.50, a Spinal Cord Research Fund charge of \$1, and a fee of \$1 for body armor replacement, or imprisonment for a term not to exceed 15 days, or both; and any person convicted of violating § 80-23 or § 80-58 hereof shall be subject to a fine of \$20, plus court costs of \$12.50, an ATS surcharge of \$2, an EMT charge of \$0.50, a Spinal Cord Research Fund charge of \$1, and a fee of \$1 for body armor replacement.

ARTICLE II, Parking

§ 260-6. Regulations not exclusive.

The provisions of this article imposing a time limit on parking shall not relieve any person of the duty to observe other and more restrictive provisions prohibiting or limiting the stopping, standing or parking of vehicles as set forth in N.J.S.A. 39:4-138, any other New Jersey statute or as hereinafter provided.

§ 260-7. Parking prohibited at all times.

No person shall park a vehicle at any time upon any of the streets or parts thereof described in Schedule I attached to and made a part of this chapter.

§ 260-8. Parking prohibited during certain hours.

A. No person shall park a vehicle between the hours specified in Schedule II of any day (except Sundays and public holidays) upon any of the streets or parts of streets described in said Schedule II attached to and made a part of this chapter.

B. The parking of any of the following types of motor vehicles on the public streets, roadways and highways within the limits of the Borough of Laurel Springs shall be restricted during the hours of 8:00 p.m. and 7:00 a.m. on any day of the week:

- (1) Any truck exceeding 6,000 pounds registered gross vehicle weight.
- (2) Any type of truck-tractor.
- (3) Any truck semi-trailer, of either the closed cargo, semi-closed cargo or open flatbed type.
- (4) Any truck-tractor and truck-semi-trailer combination.
- (5) Any type of house-, boat- or utility-type trailer.
- (6) Any type of mechanized construction or excavating-type equipment unless engaged in actual use or parked within the boundaries of a construction or excavation site.

C. Exceptions to the above restrictions will be those vehicles or that equipment engaged in actual loading or unloading, or being used as service-type or delivery-type trucks or equipment when actually being used for such purpose during the above-mentioned hours of restriction.

D. Parking for above-mentioned types of vehicles and equipment will be provided for in that section of West Atlantic Avenue, northwest of its intersection with Stone Road, which has been deemed by ordinance to be an area for all-day parking. Parking for above-restricted types of vehicles and equipment will be allowed in this area for overnight parking and during the hours of restriction.

§ 260-9. Stopping or standing prohibited during certain hours.

No person shall stop or stand a vehicle between the hours specified in Schedule III of any day (except Sundays and public holidays) upon any of the streets or parts of streets described in said Schedule III attached to and made a part of this chapter.

§ 260-11. Off-street parking.

No person shall park a vehicle in any of the off-street parking areas described in Schedule V for a period of time longer than the time limit listed during the hours restricted in Schedule V.

§ 260-11.1. Storage of vehicles. [Added 4-26-1984 by Ord. No. 364]

A. The exterior storage of more than one vehicle which is unregistered, inoperable or dismantled shall be prohibited in any zone unless approval is obtained from the Zoning Officer, or such storage is on a site approved by the Planning Board or Board of Adjustment for the purpose. A motor vehicle shall be deemed to be stored if it has been on the property for a time period of at least 30 days. The approval by the Zoning Officer shall only be given for one additional vehicle per property and only if it is for repairs, restoration or construction of a personally owned vehicle and not done in connection with a business venture. The approval by the Zoning Officer shall be limited to a time period of six months. However, one additional approval of up to six months may be granted by the Zoning Officer if the property owner can demonstrate that substantial progress has been made on the repairs, restoration or construction of a vehicle.

B. No motor vehicle which is on blocks, car ramps or any type of lifting device shall be left unattended unless housed within a secure garage or secured fenced area.

C. No motor vehicle shall be stored on any surface which is not paved, graveled or stoned unless parked a minimum of 10 feet from any property line.

§ 260-11.2. Handicapped parking. [Added 1-23-1989 by Ord. No. 437]

No persons, other than those with a valid handicapped license plate or similar identification, shall park a vehicle at any time in any of the handicapped parking areas described in Schedule VA attached to and made a part of this chapter.

ARTICLE III, Truck Exclusions [Amended 5-5-2003 by Ord. No. 631-2003]

§ 260-12. Trucks in excess of certain weight excluded.

Trucks in excess of 6,000 pounds' gross weight are hereby excluded from the streets of the Borough of Laurel Springs except for the pickup and delivery of materials.

ARTICLE IV, One-Way Streets

§ 260-13. One-way streets designated.

The streets or parts of streets described in Schedule VII attached to and made a part of this chapter are hereby designated as one-way streets in the direction indicated.

ARTICLE V, Stop and Yield Intersections

§ 260-14. Through streets designated.

Pursuant to the provisions of N.J.R.S. 39:4-140, the streets or parts of streets described in Schedule VIII attached to and made a part of this chapter are hereby designated as through streets. Stop signs shall be installed on the near right side of each street intersecting the through street except where yield right-of-way signs are provided for in the designations.

§ 260-15. Stop intersections designated.

Pursuant to the provisions of N.J.R.S. 39:4-140, the intersections described in Schedule IX attached to and made a part of this chapter are hereby designated as stop intersections. Stop signs shall be installed as provided therein.

§ 260-16. Yield intersections designated.

ARTICLE XIII, Parking Meters

§ 260-49. Definitions.

The following words and phrases, which are not defined in Subtitle 1 of Title 39 of the Revised Statutes of New Jersey, shall have the meanings respectively ascribed to them in this section for the purposes of this Article.

PARKING METER -- Any mechanical device or meter not inconsistent with this Article placed or erected for the regulation of parking by authority of this Article. Each "parking meter" installed shall indicate by proper legend the legal parking time established by the borough and, when operated, shall at all times indicate the balance of legal parking time, and at the expiration of such period shall indicate illegal or overtime parking.

PARKING METER SPACE -- Any space within a parking meter zone, adjacent to a parking meter and which is duly designated for the parking of a single vehicle by lines painted or otherwise durably marked on the curb or on the surface of the street adjacent to or adjoining the parking meters.

PARKING METER ZONE -- Any restricted street upon which parking meters are installed and in operation.

§ 260-50. Designation of parking spaces.

The _____ be and he is hereby directed and authorized to provide for the marking off of individual parking spaces in the parking zones designated and described in § 80-49 of this Article, said parking spaces to be designated by lines painted or marked on the curbing or surface of the street. At each space so marked off, it shall be unlawful to park any vehicle in such a way that said vehicle shall not be entirely within the limits of the space so designated.

§ 260-51. Installation of parking meters.

In said parking meter zones the _____ shall cause parking meters to be installed upon the curb or sidewalk immediately adjacent to the parking spaces provided in § 80-50 of this Article. No parking meters shall be installed in areas where parking is prohibited pursuant to the provisions of N.J.R.S. 39:4-138. The _____ shall be responsible for the regulation, control, operation, maintenance and use of such parking meters. Each device shall be so set as to display a signal showing legal parking upon the deposit of the appropriate coin, lawful money of the United States of America, for the period of time prescribed by this Article. Each device shall be so arranged that upon the expiration of the lawful time limit it will indicate by a proper, visible signal that the lawful parking period has expired, and in such case the right of such vehicle to occupy such space shall cease and the operator, owner, possessor or manager thereof shall be subject to the penalties hereinafter provided.

§ 260-52. Operation of parking meters.

Except in a period of emergency determined by an officer of the Fire or Police Department, or in compliance with the directions of a police officer or traffic control sign or signal, when any vehicle shall be parked in any parking space alongside or next to which a parking meter is located, the operator of such vehicle shall, upon entering the said parking meter space, immediately deposit or cause to be deposited in said meter such proper coin of the United States of America as is required for such parking meter and as is designated by proper directions on the meter, and when required by the directions on the meter, the operator of such vehicle, after the deposit of the proper coin, shall also set in operation the timing mechanism on such meter in accordance with directions properly appearing thereon, and failure to deposit such proper coin and to set the timing mechanism in operation when so required shall constitute a violation of this Article. Upon the deposit of such coin (and the setting of the timing mechanism in operation when so required) the parking space may be lawfully occupied by such vehicle during the period of time which has been prescribed for the part of the street in which said parking space is located, provided that any person placing a vehicle in a parking meter space adjacent to a meter which indicates that unused time has been left in the meter by the previous occupant of the space shall not be required to deposit a coin so long as his occupancy of said space does not exceed the indicated unused parking time. If said vehicle shall remain parked in any such parking space beyond the parking time limit set for such parking space and if the meter shall indicate such illegal parking, then and in that event such vehicle shall be considered as parking overtime and beyond the period of legal parking time, and such parking shall be deemed a violation of this Article.

§ 260-53. Violations.

It shall be unlawful and a violation of the provisions of this Article for any person to:

A. Cause, allow, permit or suffer any vehicle registered in the name of or operated by such person to be parked overtime or beyond the period of legal parking time established for any parking meter zone as herein described, or to deposit in any parking meter any coin for the purpose of parking beyond the maximum legal parking time for the particular parking meter zone.

- B. Permit any vehicle to remain or be placed in any parking space adjacent to any parking meter while said meter is displaying a signal indicating that the vehicle occupying such parking space has already been parked beyond the period prescribed for such parking space.
- C. Park any vehicle across any line or marking of a parking meter space or in such position that the vehicle shall not be entirely within the area designated by such lines or markings.
- D. Deface, injure, tamper with, open or willfully break, destroy or impair the usefulness of any parking meter installed under the provisions of this Article.
- E. Deposit or cause to be deposited in any parking meter any slugs, device or metal substance or other substitute for lawful coins.

§ 260-54. Reports of violations; citations.

- A. It shall be the duty of the police officers, acting in accordance with instructions issued by the Chief of Police, to report:
 - (1) The number of each parking meter which indicates that the vehicle occupying the parking space adjacent to such parking meter is or has been parked in violation of any of the provisions of this Article.
 - (2) The state license number of such vehicle.
 - (3) That such vehicle is parked in violation of any of the provisions of this Article.
 - (4) Any other facts, a knowledge of which is necessary to a thorough understanding of the circumstances attending such violation.

B. Each such police officer shall also attach to such vehicle a notice to the owner thereof that such vehicle has been parked in violation of a provision of this Article and instructing such owner to report to the Municipal Court in regard to such violation.

§ 260-55. Purpose of meter deposits.

The coins required to be deposited in parking meters as provided herein are hereby levied and assessed as fees to provide for the proper regulation and control of traffic upon the public streets and also the cost of supervising and regulating the parking of vehicles in the parking meter zones created hereby and to cover the cost of the purchase, supervision, protection, inspection, installation, operation, maintenance, control and use of the parking meters described herein.

§ 260-56. Collection of coins from meters; disposition thereof.

It shall be the duty of the _____ to designate some proper person or persons to make regular collections of the moneys deposited in said meters, and it shall be the duty of such person or persons so designated to remove from the parking meters the locked containers therein containing the coins so deposited in said meters and to deliver such locked containers to the Treasurer, who shall unlock them and count the funds contained in such containers and deposit such funds in the usual manner provided by law.

§ 260-57. Parking meter zones and time limits.

Parking or standing a vehicle in a parking meter space in the following described parking meter zones shall be lawful only for the period of time indicated, during the hours of operation on all days except Sundays and holidays; and upon the deposit of coins indicated for that period of time:

Street	Side	Hours of Operation	Maximum Parking Time
